John,

Thank you again for a job well done! You and your staff continue to show why the expertise and customer service that Everything Ice has is surpassed by no one in the industry. I feel very confident and comforted knowing that if I have a question or a problem, that I can call you for guidance as well as a solution, a solution that you accommodate with the skill and efficiency that is warranted.

Please don't ever hesitate to use me as a reference because you have proven to me time and time again that a call to you and Everything Ice is a call that leads to good results.

Sincerely,

Dave Hanson
